RE: NYSDOT PINS 1933.58 and 1933.59 (Grade Crossing Signal Upgrades: Rt. 22, Town of Salem, Washington County)

Dear Mr. Frankenfeld:

We are submitting the proposed amendment to the 2016-2021 AGFTC TIP for consideration by the Planning Committee at its next scheduled meeting.

TIP PROJECT NUMBERS: TBD

The amendment is proposed due to the following:

- Scope Change
Cost Change
Schedule Change
X New Projects

PROVIDE EXPLANATION FOR CHANGE:

Two separate rail crossings along Rt. 22 in the Town of Salem are in need of active warning device upgrades. The mile points of these two separate crossings are at MP 9.93 and MP 127.49 respectively.

As with all projects utilizing HSIP Rail funds, these do not count against Regional allocations. Therefore, fiscal constraint on the TIP is not impacted. In addition, the two projects listed below have been authorized to utilize Toll Credits and therefore can be listed at 100% federal funds with no match.
