Dear Aaron:

We are submitting the proposed amendment to the 2016-2021 AGFTC TIP for consideration by the Planning Committee at its next scheduled meeting.

TIP PROJECT NUMBERS: TBD

The amendment is proposed due to the following:

- Scope Change
Cost Change
Schedule Change
X New Projects

PROVIDE EXPLANATION FOR CHANGE:

These bridges have been identified as structures where cost effective treatments to rehabilitate them will help extend their respective lifespans while providing good cost on return. These projects were selected for the use of Statewide Funds and do not count against AGFTC Planning Targets.
