

Annual List of Obligated Projects
Federal Fiscal Year 2020-21

A/GFTC's Transportation Improvement Program (TIP) is a listing of federally-funded transportation projects that are programmed for design, construction, or purchase during a five-year span. Federal transportation law requires that an Annual List of Obligated Projects be made available to the public that shows obligations for projects funded in part or in whole with federal dollars. This document includes obligation amounts for all federally-funded highway and transit projects within the A/GFTC Planning and Programming Area (Warren County, Washington County, and the Town of Moreau in Saratoga County) during Federal Fiscal Year 2021 (October 1, 2020 through September 30, 2021). This information has been provided by New York State Department of Transportation's Region 1 Office of Planning and Program Management.
