Re: TIP Amendment Request

I'd like to request TAC consideration of the following TIP amendment for transit at the next meeting scheduled. The amendment would change the scope and budget of the following (existing) 2021-22 project TR 146 (1822.23):

<i>Proj. Descr.</i>	<i>Date</i>	<i>Total</i>	<i>Prog Year</i>	<i>Source</i>	<i>Lead</i>	<i>Remarks</i>
<b>FROM:</b>						
Replace Four (4) 2018 Mini-buses & Related Equip expansion	4/22	.320	21/22	FTA 5307 5339, 5340	GGFT	Meet. current fleet require
<b>TO:</b>						
Replace Four (4) 2018 Mini-buses With two (2) 30ft Transit buses & Related Equip.	4/22	1.10	21/22	FTA 5307 5339, 5340	GGFT	Meet. current fleet require

The change is requested to better meet current operational demands and to use approx. \$990,000 in FTA 5339 funds already allocated to Glens Falls that are set to lapse on 10/1/22. The FTA capital funds are 80% federal 10% NYS 10% local.
