

Annual List of Obligated Projects
Federal Fiscal Year 2024-25

A/GFTC's Transportation Improvement Program (TIP) is a listing of federally funded transportation projects that are programmed for design, construction, or purchase during a five-year span. Federal transportation law requires that an Annual List of Obligated Projects be made available to the public that shows actual obligations for projects funded in part or in whole with federal dollars. This document includes obligation amounts for federally funded highway and transit projects within the A/GFTC Planning and Programming Area (Warren County, Washington County, and the Town of Moreau in Saratoga County) during Federal Fiscal Year 2025 (October 1, 2024 through September 30, 2025).

This information has been provided by New York State Department of Transportation's Region 1 Office of Planning and Program Management and by the Capital District Transportation Authority (CDTA).
