Adirondack Glens Falls Transportation Council

Annual Listing of Obligated Projects – FFY 2025-26

AGFTC's Transportation Improvement Program (TIP) is a listing of federally-funded transportation projects that are programmed for design, construction, or purchase during a five-year span. Federal transportation law requires that this Annual List of Obligated Projects be made available to the public that shows obligations for projects funded in part or in whole with federal dollars. This document includes obligation amounts for all federally-funded highway and transit projects within the AGFTC Planning and Programming Area (Warren County, Washington County, and the Town of Moreau in Saratoga County) during Federal Fiscal Year 2026 (October 1, 2025 through September 30, 2027).

This information has been provided by New York State Department of Transportation's Region 1 Office of Planning and Program Management and the Capital District Transportation Authority (CDTA).
